compromising with out cooperating to
make it work. I am done, stop
pretending.

TOM
48 This town is wonderful town.

TINA
49 What wonderful about?

TOM
50 The scenery of the countryside, fresh
air and fresh food.

TINA
51 Oh, you can have all that I am not
interested on it at all.

TOM
52 What's boring about living in the
country with fresh air, food, and a
beautiful countryside?

TINA
53-54 This is exactly the life I
do not intend to live on it,
for the rest my life.

TOM
55 Why do you look at it that way? If
it's not broken, why fix it?

TINA
56 Seriously, I do not want to be stuck
in this ordinary life. I want to be
sophisticated and see nice places,
Tom.

TOM
57 What the hell are you reading lately
that makes you think this way? It's
warping your brain, girl.

58 TINA
Nothing is warping my brain. I am just starting to wake up, and I am tired of being trapped with you.

59 TOM
I do not need to pretend to be someone that I cannot be. Don't you understand?

60 TINA
I see that you've limited yourself and want to go on living your mediocre life. You are just limited minded!

61 TOM
What are you talking about, I think you're losing it my darling Tina?

62 TINA
Yah, right! I am losing it because of living with you and your crappy, dirty plumbing work, idiot.

63 TOM
Somebody has to do this work. You knew what I did when we met. So, what has made you change your mind?

Tina sneers at him and goes to water her plants.

64 TINA
You surprise me, Tom. I mean, don't you think you can do something better than what you're doing now?

65 TOM
I am not the type of man who can study science and give lectures...I am a simple man.

66 JULIA
What a stupid, sad man who can't dream big of doing better work than what he's doing.

67 TOM
I know how to fix things in my work
and make babies. Screw this crap. I
like a peaceful and simple life.

68 TINA
Do you know how to do anything else
beside this dirty work?

69 TOM
I know how to take care of you. We
have enough of what we need and for a
baby to bring us joy.

3 INT. LIVING ROOM - EVINCING

Tina stands up and starts to starching her body.

70 Make a baby, ha! I want to dive into the deep ocean and swim as far as I can until I lose all my big ass and you.

TOM.

71 How are you going to get up to do the swimming? Your ass is too big to move from the couch?

TINA

72 Too big or not, I am dropping out of this life with you, and that will shrink my ass.

TOM

73 Is that because I am not that type of guy who likes to get into science and research. Is this it?

TINA

74 Yes, that is it, if you think that is the reason.

TIM

75 I can not think about any other reason beside this.

TINA

76 Great! Are you going to do something to fix it, or not, I need to know where the hell I stand.

TIM

77 Let us go shopping, I know you enjoy shopping. I will pay you anything you like.

responding to me like you use too.

82 TINA
Ask yourself why is that I am acting
this way, but know you have your fun
and your bottles.

83 TOM
I care about you, but you are pushing
me a way. I sense your rejection. I
can feel it. And I don't understand.

84 TINA
What makes not to understand it, since
you can sense and feel my rejection?

85 TOM
What ever what I say you have an
answer to it. I pay you a ticket for
vacation, so can relax an feel better
then come back fresh.

86 TINA
