6 JULIA  
Look at yourself to closely so find  
your issue. evidently you do not see  
any fault.

MARIO,

Wanders across the room to a full-length mirror. He sets down his beer and lifts his t-shirt and sticks gut out, rubs it

and begins to play a drum beat while walking back to Julia.  
He stands right before her.

7                               JULIA  
Come on. Stop it! Idiot? Get out from  
from me, it does not amuse all. I jus  
see a child standing in front of me,  
tiring to attention, but you are not  
going to get it from me!  
                              (Mario put the music on.)

something for yourself? You smell,  
too. Go take a shower

13                              MARIO  
What kind of smell do I smell?

14                              JULIA  
You smell like a cent of skunks living  
in the neighborhood.

15                              MARIO  
That is all you got to say? Not so bad  
honey pie.

16                              JULIA  
Go take a good bath in stead of  
overwhelming me with it .

17                              MARIO  
Oh darling, come on I don not smell

Wow, come on that is nonsense. it does  
not make a sense to me.

20 JULIA

It is about time to pay to search  
yourself and examine your  
idiosyncrasy.

22 MARIO  
What is wrong with you? Are having a  
baby or what all this nonsense comes  
from?

23 JULIA  
I am tried of watching time passes by  
us every day this is boring life. Why  
can't we go to the big city to go  
watch movies and visit a historical  
muumuus? this place is dead.

24 MARIO  
I don't know what see? I notice your  
participation has change in living on.

25 JULIA  
this boring life is no less than  
existing animals groveling for  
survival just to look for a place to  
sleep and eat food that is all they do  
their life time. Do not wander what is  
out there.

26 MARIO  
What's boring about our life? We are  
in the country. We have fresh air,  
fresh food, home cooked meals,  
beautiful countryside what else we  
need more in life?

27 JULIA  
This is exactly what I call it  
existing and not living.

28 MARIO  
Why do you look it like this? If  
nothing breaks why try to fix it?

29 JULIA  
You call this living? I call it  
comfort zone. It is just like packing  
boat in the harper, we will be safe,  
but we will never far to discover the  
other side of the world.

30 MARIO  
What is the hell are you watching  
online lately that make you think this  
way? It's warping your brain girl.

31 JULIA  
Nothing wrapping my brain dear. I am  
just starting to walk slowly but  
surely. I want to get myself  
entrapment,

32 MARIO  
That I do not want is to portend to be  
someone and I aren't I know my limed.  
I know what I can do what Icon not do.

33 JULIA  
I know what want to do. In short you  
want live a mediocre life What a small  
limed mind man I end up wit him?

34 MARIO  
What are you talking about, I think  
you losing it Julia?

35 JULIA  
Yah, right I am losing it because I am  
living with you and your crab dirty  
plumbing work. I mean, really, don't  
this all seem strange to you?

36 MARIO  
This is just how all things are. I  
don't see anything wrong with it.

37 JULIA, gives him a sneer look.

JULIA  
38 You surprise me, by your ignorant.  
Have you ever wonder what about what  
you are missing out there?

MARIO  
39 I am not your type of a man who  
studies since and give a Lecturer  
about it...I am a simple man. I work I  
eat, I sleep and I and make love keep  
crab for yourself, I do not need I  
have enough it.

JULIA  
40 What a primitive, sad, deepest man  
without any notion in this live.

MARIO, makes his way to the kitchen fridge.

MARIO  
41 I am a happy and self-content man. I  
like an easy and peacefully life.  
Honey pie. Just let it all unfold.  
Fine with me.  
(Mario cracks open another beer.  
Gulps and burps.)

JULIA  
42 Do you know something else beside  
this?

MARIO...  
43 Yes, is to have a baby, work, sleep  
and play with my child ,what else do  
you need lady.

JULIA  
44 We do not know what to do with  
yourself let alone to have a baby.

MARIO  
45 We have enough for us nd the baby.  
Beside, babies don't need much to live  
on.

JULIA  
46 I want to dive to the deep ocean and  
swim as far as I can until I lose all  
my ass and you.

47 MARIO  
How you are going to get up and do  
that swimming? your ass is too big to  
move from the couch, let a lone to  
swim in deep ocean. Do you forget you  
that or just fantasize about it?

48 JULIA  
I want to go far away as my legs and  
arms will take me until I drown and  
drop the people who look worth than  
me. I need meet some better than me so  
I look at then be positive for change.

49 MARIO  
Right, you are a dreamer keep taking  
about unrealistic dream.

50 JULIA  
Why can't you take me seriously? I  
mean it I need some who is a hero ant  
not a zero to flow.

51 MARIO  
I told you, I don't want to put myself  
into a science and research of things  
that they do not I have any interest  
on them.

52 JULIA  
Who cares what you want. What you want  
in this minute is only going be the  
same as the next is to eat drink and  
Burp.

53 MARIO  
That is it dear, take it or leave it.

54 JULIA  
I am looking for a way to leave it  
behind. going in this life! rather  
than settle on what I don't need.

55 MARIO  
What more you want lady Julia? You got  
everything you need right here, don't  
you?

56 JULIA  
No, I don't. do you call this  
everything? Why don't you admit it

that you are a man with a minuscule mind.

57 MARIO  
Well, bloody hell, I guess we can take a ride in my pick and go some where is nice.

58 JULIA  
Going around on a pick is not going to do it form. I need more than just going around.

59 MARIO  
I see that you are not happy here honey, what do you want me to do now? I give all what I have.

60 JULIA  
You don't have much for me. I need to travel and explore a new places in and learn more new things.

61 MARIO  
Hell, I will give you my keys. Go to wherever you want to go and when you get tired come back home. I will be here waiting for you.

62 JULIA  
You are foolish man! God, you are just a bundle of confusion. I have never meet a passive man as you are. How match brain cells you have? Less than a monkey brain.

63 MARIO  
Damn me.

64 JULIA  
That's right. Why do damn me.

65 MARIO  
I forgive you.

66 JULIA  
Eat a shoe leopard.

67 MARIO  
Oh yeah you are you are crazy and frustrate woman because can't get up

from the couch without notices?

JULIA  
68           Yeah! Eat a black old moldy shoe!

MARIO, takes off one of his boots and sticks it in his mouth.  
He bites down like a dog and then suddenly yells from pain.

MARIO  
69           Ow honey! My tooth is brook off. Do  
            not you see you have hurt my feeling  
            to the point makes break tooth?

Julia walks to Mario to inspect.

MARIO  
70           I cracked my stupid tooth.

JULIA  
71           What are you doing a foolish man?

MARIO  
72           I was eating my shoe because you tell  
            me to do it, but look, at what  
            happened to me.

MARIO  
(shows his teeth)  
73           chipped my tooth? Julia Yelp.

JULIA  
picks a piece of the tooth up from the floor. Here it's  
donkey.

MARIO  
74           I am going to bleed and die. This is  
            what I get form listening to you.

JULIA  
75           You be fine. This is not the first  
            chipped tooth and it will not be the  
            last.

JULIA, goes back to sitting down.

Flips through her magazine and then throw it across the room.

MARIO  
76           What the hell is wrong with you?

JULIA cries.

MARIO, slowly approaches her gently.

MARIO  
  
Sits beside her on the couch.

77           I know I'm a simple man, darling. I do  
            have some charm on a good day, but  
            mostly I am a rugged son of a bitch  
            who resist change, but I am the man  
            who you married for better or worth.

JULIA  
  
Puts her arms around Mario. She cries and holds him tightly.  
Once they release one another...

MARIO  
78           Are on your period?

JULIA  
79           No, I am not I am just not feeling  
            good about myself.

MARIO

MARIO  
84           Yes, I'm a man. asking me just like  
            asking a fish if it can swim.

MARIO  
86           Hill if I know. I go with the program,  
            you know that.

JULIA, gets up from couch.

87                               JULIA

up with something to say that will  
make you feel better.

90                               MARIO  
That's why I'm still here honey.

91                               Yeah, that is a trap?

                                  JULIA  
Nods and walks into the kitchen.
